

# Mobile Dental Van Coming to Weaverville Elementary

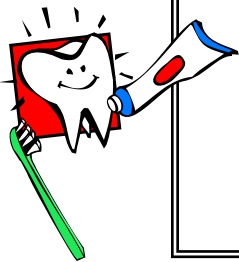

## Week of March 29<sup>th</sup> - April 2

Traveling dentists from Access Dental are coming to Trinity County to provide free dental services to children 1 year - 18 years old.

### The Access Dental Van will see

- \* Children without a local dentist
- \* Children without dental insurance
- \* Children with Medi-Cal or dental insurance who do not have a local dentist

We encourage families who have a family dentist to continue care with their dentist.

- Sign-Up to reserve a spot for the Dental Van
- Forms are available in your school's office
- **Forms must be completed and returned to school by March 15, 2010**
- Assistance to complete dental packets is available

Treatment plans and dental services are provided by Access Dental. School personnel are only assisting in making these services available.

*Please make sure you read the consent form carefully before signing.*

If you have any questions or need assistance, please contact Laura Johnson at (530) 623-2861 x236
